RECLAIMING OUR STORIES TOGETHER

Welcome!

Can You Believe They Said That!

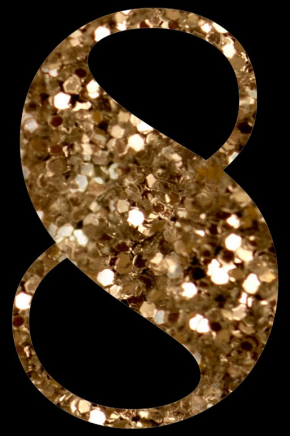

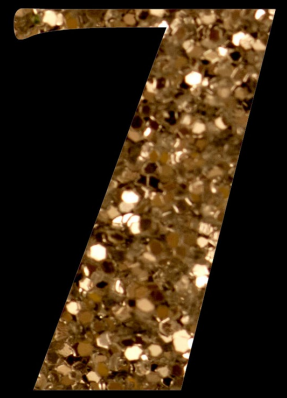

Are you married?
What does your husband think about this?

First, we hire a woman and then she wears pants!

You can’t be old enough to be a pastor!

You’re nicer to look at than the male senior pastor!

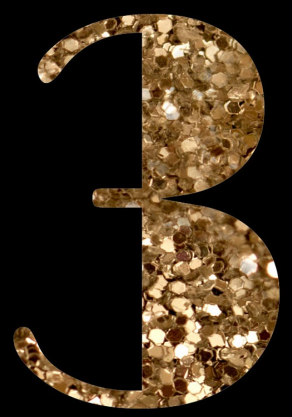

If more men would step up
we wouldn’t need
female pastors!

I don’t think I am ready for a female pastor.

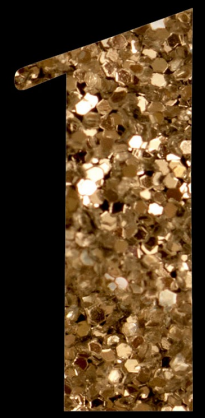

Who’s going to preach when you have a baby?

We’ve never had a woman pastor before.

What should we call your husband/partner?

You don’t look like
a minister!

And yet...

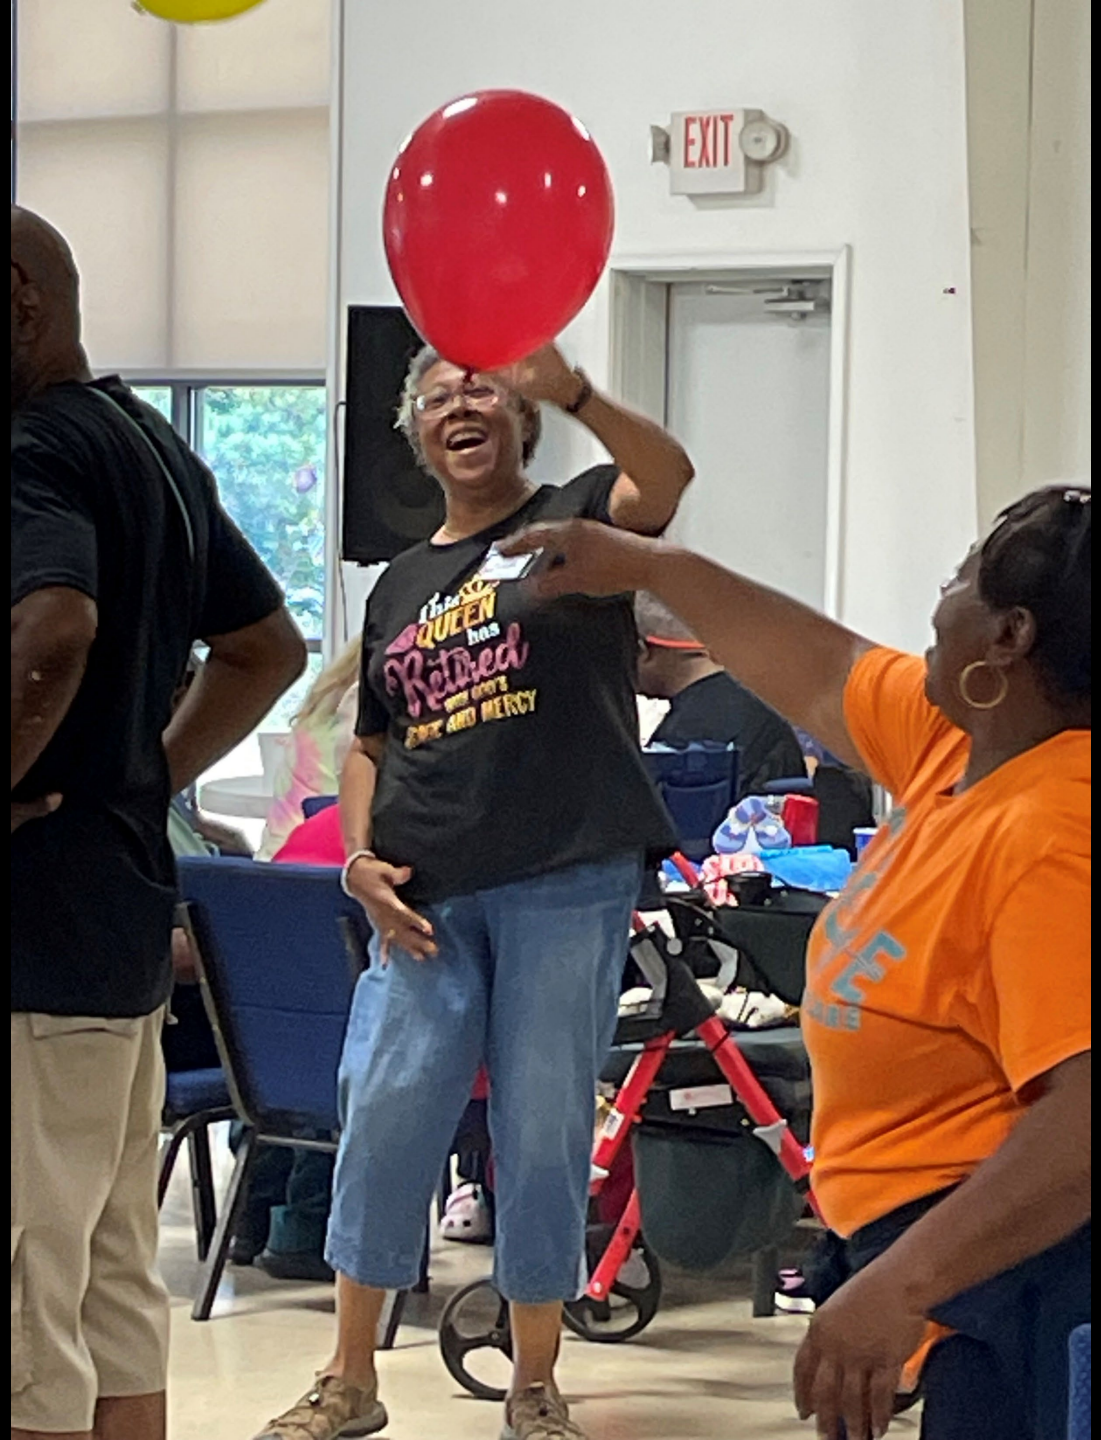

All praise to you, Eternal
Father, through your Son Jesus
Christ, who
and the
Holy Spirit

RECLAIMING OUR STORIES TOGETHER

Who is a woman who helped you believe you could do this work?

What part of ministry gives you life right now?

What is one thing clergywomen can do today that they could only dream about 70 years ago?

What is the funniest thing that has happened to you in ministry?

What is your completely unnecessary clergy superpower?

How Long, Lord?
